

### Message to the Families

Hello KS1 families,

We have all reached the end of yet another week of virtual learning. We hope you have found the work manageable and not overwhelming. It has been lovely receiving pictures of work completed by children; we just love to Tweet examples of what you've been achieving so keep them coming. Did you catch a glimpse of our 'Ain't no mountain high enough' video on Twitter? We have been working on it behind the scenes for a couple of weeks now. We wanted to spread some happiness and let you know that we are missing you all and can't wait to resume life as a Goldfinch community. A big shout out to Miss Roberts who put the video together, thank you! Please stay in touch with us via [info@goldfinchprimary.org.uk](mailto:info@goldfinchprimary.org.uk) to email learning, if you have any suggestions, need support or have any questions. You can also call us on **07985227057** between **8am and 4pm Monday – Friday**.

#### Thought for the week:

*'It might be stormy now, but rain doesn't last forever'*

**Coming soon!**

We are in the process of organising, 'Moon Class Zoom Meet/Star Class Zoom meet' where the children, under the supervision of their teachers, will be able to take part in a 'virtual' class meeting. We need all families to sign up to the School Gateway (parent comms) so we can invite all children in our class to this meeting. We will be unable to invite your child to our Moon Class Zoom Meet/Star Class Zoom meet if you do not sign up to School Gateway.
