### Message to the Families

Dear Families,

We are at the end of the second week of home learning! Well done to all of the children who have been completing the work set by class teachers. We do understand that momentum to work can sometimes be lost, so just keep doing as much as you can. Little and often works well if you feel like you're not getting anywhere and always remember to schedule in breaks. Teachers have been calling families throughout the week to say hello and check that the work being set online can be accessed and is being completed. Keep communicating with us via [info@goldfinchprimary.org.uk](mailto:info@goldfinchprimary.org.uk) if you have any suggestions, need support or have any questions. You can also call us on **07985227057** between **8am** and **4pm Monday – Friday**.

### Thought for the week:

'Look for something positive in each day, even if some days you have to look a little harder'

## Online learning stars

**Rokas** - He has been printing his maths work off the computer and completing it independently at home and sending pictures to the office.

**Max** – For re-telling the whole story of Lost and Found through actions and sending it to the office for Miss Banham to see!

**Nara** - She has actively engaged in several activities posted on google classroom over the week. These include amazing stories, pictures and even creating a shaker.

**Oscar** – For putting in a lot of effort this week with his home learning by consistently submitting his learning, as well as uploading photographs of other projects that he has been involved in.
