

### Message to the Families

Dear families

We have reached the end of another busy week filled with fantastic learning. We hope you have found the work manageable and not overwhelming. We understand that with such a long period away from school, some children may now be finding it hard to settle down with their learning. Please let us know if you are having any difficulties, and we will try our best to support you further.

This week, some of the year 1 children returned back to school. It has been lovely to see their smiling faces and excitement within the classroom. These children have worked hard to adjust to the new routines in class and around the school.

Keep communicating with us via [info@goldfinchprimary.org.uk](mailto:info@goldfinchprimary.org.uk) if you have any suggestions, need support or have any questions. You can also call us on **07985227057** between **8am and 4pm Monday – Friday.**
