

Message to the Families

Dear families,
 The year is drawing to an end very soon, with the final few weeks left. We have been extremely grateful with the support we have received from all our families. Despite the difficulties, we have continued to receive lots of fantastic learning. Huge thank you to all our parents!

Date: Friday 10th July Time: 2:00pm Who: Year 2

We have organised a special zoom session for Star class with Catriona Ross, our Place2Be specialist. This session will provide the **year 2 children** with the opportunity to share any worries or questions they may have about September, when they are in KS2. We would be discussing transition during this meeting with the children. If you have any questions/worries that you would also like us to also discuss, please email these into the office pre-hand.

Please remember to use the **new link** that is emailed out each week for our weekly class zoom meetings.

To explore this week:

We understand that during this time, some families may be finding it hard to manage a good bed time routine. Here are some great links that will provide you with some strategies on getting them back into a routine.

NHS Healthy sleep
