Message to the Families

Dear Families,

Welcome to a new half term. Hope you and your families are well and staying safe.

It was so lovely speaking to most of you earlier this week and hear that you continue to complete or adjust the daily learning activities with your children despite many challenges we are all facing these days. This half term we are talking about different modes of transport and children were asked to make their own models of ambulances. Next week we will be learning about trains. Please continue checking your school coms for daily ideas. Keep communicating with us via school coms if you have any suggestions, need support or have any questions. You can also call us on **07985227057** between **8am** and **4pm Monday – Friday**.

Thought for the week:

To explore this week:

Listening to stories online

<https://www.storiestogrowby.org/audio-stories/> Children can instantly stream a collection of stories, free to stream on your desktop, laptop, phone or tablet. Encourages children's imagination, story language and broaden vocabulary. STRONGLY RECOMMEND
