## Message to the Families

Dear Families,

We want to take this opportunity again to say a massive thank you for everything you are doing to support your child's home learning during this period. We know it's not easy, but we so appreciate your support. It's been lovely seeing what families are achieving at home. Whether that is home learning on Google Classroom, cooking, playing outside or simply reading together. You've got this!

As always, keep communicating with us via [info@goldfinchprimary.org.uk](mailto:info@goldfinchprimary.org.uk) if you have any suggestions, need support, or have any questions. You can also call on **07985227057** between **8am and 4pm Monday - Friday**.

### (Bad) Joke of the week:

*Why are fish so smart?*

*Because they live in schools!*

Pluto star of the week: Miko

Pluto, I am setting you a **challenge!** Our target is to move our way up the leaderboard over half-term! We need to all work together to do this. I KNOW YOU CAN DO IT! I BELIEVE IN YOU! Make sure you spend at least 20 mins a day over the holidays. WE CAN DO IT!

Last week, we launched our Goldfinch Eco Competition, with some fantastic and Eco-friendly prizes on offer. There have already been some brilliant entries that highlight issues that affect our environment. Make sure you submit your entry by **Friday 29th May**. Remember to be as creative as you can!

Please remember to login to Mathletics and use this fantastic online resource that allows children to learn through a range of games and activities. Well done to those who are accessing Mathletics daily and working towards your certificates. Keep it up!

### Online learning stars

#### Summaya

Summaya wrote a fantastic version of 'The Promise' using the videos from The Literacy Tree on Google Classroom. She managed to really find the author's 'voice' and I thoroughly enjoyed reading it.

#### Dalmar

Dalmar has done a fantastic job sending me his home learning this week. Well done for being so engaged, Dalmar :)
