Message to our Families

Dear families

Welcome to our 7th newsletter during school closure. We have come to the end of the first half of the Summer term spent in lockdown; well done to all those of you who have managed to do the daily work set on Google Classroom, it has been a pleasure to see the work you have uploaded. A big thank you to all your parents for supporting you with this work – make sure you all get a break over the next week. We do not know when anyone will be returning to school yet. All adults are working hard to find a way to keep everyone safe when they do return. Remember to keep checking parent comms for emails. Keep communicating with us via info@goldfinchprimary.org.uk if you have any suggestions, need support, or have any questions. You can also call on **07985227057** between **8am and 4pm Monday - Friday**

Have a great half term break! **Mrs Kavanagh & Mrs Woodman**

Look out for an announcement for:

Goldfinch's Got (virtual) Talent

Last week, we launched our Goldfinch Eco Competition, with some fantastic and Eco-friendly prizes on offer. There have already been some brilliant entries that highlight issues that affect our environment. Make sure you submit your entry by Friday 29th May. Remember to be as creative as you can! Please remember to login to Mathletics and use this fantastic online resource that allows children to learn through a range of games and activities. Well done to those who are accessing Mathletics daily and working towards your certificates. Keep it up!

Are you a Mathletics Campion?

Who has gained the most points since last week? How many more points do you need to achieve your BRONZE, SILVER or GOLD?!?

This week's Saturn Mathletics Champion is:

Josiah

Who achieved 5860 points!

Well done Josiah!
