

Dear Families,

Well done for all your hard work in home schooling your children for the second week. We hope that the children have now developed a daily learning routine and can access a range of activities and links sent via SchoolComms or via Google Classroom. Please see the video tutorials on Google Classroom to help you with uploading your child's completed learning. It is vital that you follow Government guidelines and stay at home during these worrying times. Remember, that we are here to support you. We know, from having spoken to you all, that you are doing a great job of balancing home learning with exercise and fun activities as a family; remember also that it's important to have some down time. Keep checking your emails and Google Classroom for daily suggested learning. Encourage your children to keep using **Mathletics** in order to develop maths fluency and remind them to read every day whether they choose real or eBooks on **Epic!** website. **We will not be uploading anything over the Easter holidays**, but will be sending you Takeaway Homework linked to volcanoes and earthquakes, in preparation for our next topic of **Tremors**. Keep communicating with us via info@goldfinchprimary.org.uk if you have any suggestions, need support, or have any questions. You can also call on **07985227057** between **8am and 4pm Monday - Friday**.

Stay kind, stay safe!

Mrs Jain and Mrs Briggs

Easter Break dates

Monday 6th April – Friday 17th April 2020
