Message to the Families

Dear Families,

This is the first edition of our weekly newsletter while the school remains closed. We are living in unprecedented times and it is vital to stay at home in line with the government advice for public health. At the same time it is important to keep in touch and support each other. We would like to stay in touch with you, provide weekly updates, suggest activities for your children to do at home. This week the class teachers have started updating Google Classrooms with daily activities and we aim to improve these with time. Keep communicating with us via info@goldfinchprimary.org.uk if you have any suggestions, need support or have any questions. You can also call us on **07985227057** between **8am** and **4pm Monday – Friday**.

Thought for the week:

'When the big things feel out of control, focus on what you love right under your nose.'

Charlie Mackesy
