Dear Families,

The summer holidays are nearly here and yet, there's so much going on within our Goldfinch community. End of year reports and summer passports with activity packs are being sent home today and we are so excited to be able to invite Year 2, 3, 4 and 5 pupils into school in the last week of term. You should have received the group lists by now so do check your emails. In the meantime, the online learning is still being posted and emailed out daily so encourage your child to keep up their learning routine. This week we have received some fabulous designs of robots created out of recycled materials. **As always, please let us know if you are unable to access learning resources.** Keep communicating with us via info@goldfinchprimary.org.uk if you have any suggestions, need support or have any questions. You can also call us on **07985227057** between **8am** and **4pm Monday – Friday**. Stay kind. Stay safe. Mrs Jain and Ms Briggs

Scholastic Reading Pro online library assess

Your child's login details have been sent in the pack alongside your child's end of year report. After accessing the site, choose the option **Reading Pro**, not **Reading Pro Library first**. This will lead to a tutorial before taking an **initial quiz**. Completing the quiz helps the programme recommend texts that are relevant and appropriate for your child's reading level.

Ismael

Well done for submitting some fantastic pieces of work based on our class text 'The Wild Robot' including a brilliant model of a robot made out of recycled materials!

Zakaria

Well done for your increased participation in online learning and improving your score on Mathletics!
