

The Aviary Out of School Care

Welcome to The Aviary, Goldfinch Primary School's before and after school clubs, open to all Goldfinch pupils.

The Aviary is provided by members of staff employed by Goldfinch Primary School. Ulain Mireku leads the provision, and is supported by Dominic Townsend-Gray.

What can we expect?

In the mornings, the team gives children a warm welcome to the school and support them in readying themselves for the school day. They also provide a nutritious breakfast.

After school, children are provided with a fun, stimulating environment, where they can socialise, complete homework, bake and relax after their day at school. A range of activities, that meets all the children's needs and interests, are on offer each day.
