

Year 3 Newsletter

@GoldfinchPrmry

Friday 22nd November 2019

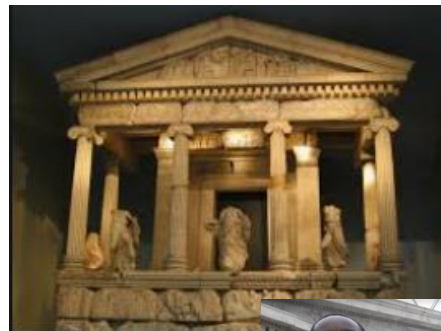

English: We have been reading Cinderella of the Nile by Beverley Naidoo – from a version of the story that is over 2000 years old. We have thought about the differences between this story and the Cinderella story we already knew, and now we are going to write our own versions

Maths: In maths we are just finishing our learning about addition and subtraction and will be starting multiplication and division next week.

Science: This term we are learning all about light and shadows. We have been on a shadow hunt around the school and will be doing some investigations to see what more we can learn about shadows.

Last week we had a great trip to the British Museum. We saw a lot of Greek pots, a Greek temple and some of the sculptures from the Parthenon in Athens.

How you can help your child at home

Reading

Please encourage your child to read as much as possible at home and try to ask them questions about what they are reading (this can be done in any language).

Spellings

The children are encouraged to practise their spellings for a weekly test using the spelling frame website.

Maths

Please complete the sheet to reinforce what your child has been learning. Also help your child practice their times tables (x2, x5, x10). We also recommend using **Mathletics** and **Times Tables Rock Stars** to help with this.

Dates and reminders

Thursday 12th December – not only is it election day, it is also Year 3's showcasing afternoon! From 3pm, we will be showing you some of our learning this term. Make sure you come to the office **by 3pm** so you don't miss anything.

Attendance

Venus – 91.9%
