

Year 3 Newsletter

@GoldfinchPrmry

Friday 27th September 2019

English: We have been writing a report called 'The Magic of Tea' to show all that we have learnt about tea. We made sure we joined facts into sentences using conjunctions. We have also been thinking about different types of sentences and practising using them.

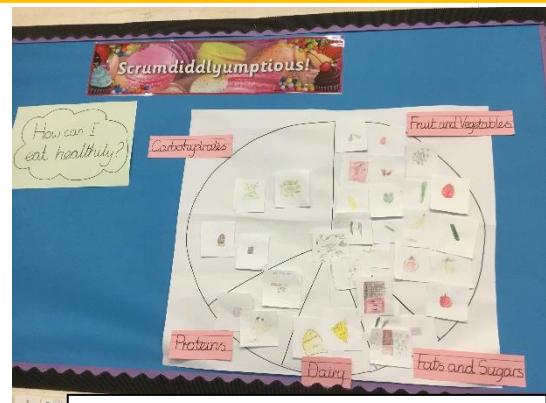

Maths: In maths we have been learning about comparing and ordering numbers up to 1,000.

Topic: We have continued thinking about how we can eat healthily, learning about different food types and why our bodies need them. We have also started looking at food labels to see how much sugar some drinks have in

The children did some role playing to think about how workers in tea plantations might feel.

We have made a giant 'Eatwell plate' showing the different food groups

How you can help your child at home

Reading

Please encourage your child to read as much as possible at home and try to ask them questions about what they are reading.

Spellings

The children are encouraged to practise their spellings for a weekly test.

Maths

Please complete the sheet to reinforce what your child has been learning. Also help your child practice their times tables (x2, x5, x10). We also recommend using **Mathletics** and **Times Tables Rock Stars** to help with this.

Dates and reminders

- Year 3 PE days: Wednesdays and Fridays
- Please bring homework folders in every Wednesday.
- Children should have their reading books in their bags every day.

Attendance
