Message to our Families

Dear Families,

We have continued to see some great online learning from children in year 4 and we are looking forward to seeing your brilliant takeaway homework after the summer holidays.

Next week is our final week of term and we are delighted to invite Year 4 back next week. Children will be split into two groups (Group A and Group B) and will attend school either Monday 13th and Tuesday 14th July or Wednesday 15th and Thursday 16th July. We will continue to social distance and drop off and pick up times have been staggered. Year 4 begin school at 9:30am and will need to be collected at 2:45pm.

End of year reports were made available for collection on Friday 3rd July. If you have still yet to collect your child's report, please ensure you do so by the end of the term.

Thank you for your continued support during these unprecedented times we hope you have a safe and happy summer.

Keep communicating with us via info@goldfinchprimary.org.uk if you have any suggestions, need support or have any questions. Stay kind. Stay safe. From Miss Johnson, Mrs Nunn and Mr Coultas

Thought for the week:

Be helpful, when you see a person without a smile, give them yours!

Scholastic Reading Pro online library access

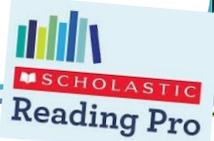

<https://www.scholasticlearningzone.com/>

Check out this amazing e-book library filled with a fantastic range of books.

Your child's login details along have been sent in the pack alongside your child's end of year report. After accessing the site, choose the option **Reading Pro**, not Reading Pro Library **first**.

This will lead you to a tutorial, please take some time to go through the tutorial to familiarise yourself with the site.

When your child logs in for the first time, they will be prompted to take an **initial quiz**. Completing the quiz helps the programme recommend texts that are relevant and appropriate for your child's reading level.

Reminder

Our music teacher Mrs Lederleitner Spriggs is asking year 4 children to return their trumpets. Children can return them during the last week of term on their arrival to school.

★ Online learning stars ★

Earth and Jupiter: Everyone in Earth and Jupiter are learning stars for being so resilient during a difficult time and producing some fantastic online learning.

Mathletics

Who has gained the most points since last week?
How many more points do you need to achieve your BRONZE, SILVER or GOLD?!?
