Dear Families,

A warm welcome back! It has been lovely to speak to all the parents, carers and children before the Easter break and to find out about all the different ways you support each other and the children's learning in this newly found reality. I will be getting in touch with you again before the end of the next week if you haven't heard from me yet. So many children have made a great start to the new term already! I have received some fantastic examples of writing, maths work and projects linked to our topic of Tremors – a huge well done to all the busy learners and family support with this. **Please let us know if you are unable to access learning resources.** Keep communicating with us via [info@goldfinchprimary.org.uk](mailto:info@goldfinchprimary.org.uk) if you have any suggestions, need support or have any questions. You can also call us on **07985227057** between **8am** and **4pm Monday – Friday**. Stay kind. Stay safe.  
From Mrs Jain and Ms Briggs.

### EPIC READING COMPETITION ANNOUNCEMENT

As you all know, reading is the key to all learning.

I have decided to run a weekly reading competition with book prizes for the winners. Each week I will be checking the children's reading score on [Epic Reading](#) and announce 2 winners on Friday. The book prizes, which the winners will be able to choose from the list of Year 3 recommended reads (link [here](#)), will be posted straight to your home address. The winners could be the children who either read the most, solve the most reading quizzes on Epic, or the children who improve the score most significantly each week.

#### **This week's winners are:**

 **Agata**  and  **Aiman** 

They have read the most of books so far and read for the longest amount of time!
