Dear Families,

What a positive week it has been! Despite the fact that we keep a safe distance from each other, from school, from many of our nearest and dearest, so many wonderful things are still happening. It has been so lovely to speak to so many of you about your children's learning at home and to see the evidence of the daily learning sent our way. It is not always easy to keep up the daily learning routine at home – we all know this. It is not possible to replicate all the things which would normally happen at school and understandably, all of us are eager for our lives to return to normal. In the meantime, huge thanks to all the Venus Class families – you are doing an amazing job in supporting your children and every bit of learning they do now will help them dive straight back in once we return to school.

**Please let us know if you are unable to access learning resources.** Keep communicating with us via [info@goldfinchprimary.org.uk](mailto:info@goldfinchprimary.org.uk) if you have any suggestions, need support or have any questions. You can also call us on **07985227057** between **8am** and **4pm Monday – Friday**. Stay kind. Stay safe.  
From Mrs Jain and Ms Briggs.
