

Year 3 Newsletter

@GoldfinchPrmry

Friday 6th December 2019

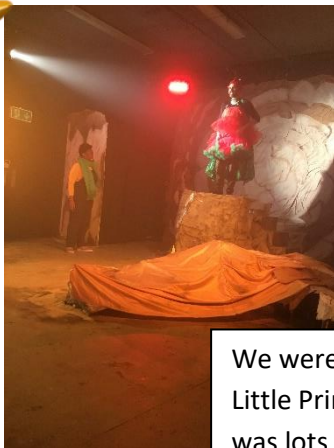

English: We have started reading a new book called How to Live Forever, by Colin Thompson. We have been trying to decide if living forever is a good idea or not!

Maths: In maths we have started work on multiplication. We are learning our 4 times table and division facts.

Science: This term we are learning all about light and shadows. We have tested different materials to see which ones reflect light and which absorb light. We have also investigated how shadows can change size.

We were very fortunate to be able to go to see The Little Prince at the Omnibus Theatre in Clapham. It was lots of fun -the children were transfixed!

How you can help your child at home

Reading

Please encourage your child to read as much as possible at home and try to ask them questions about what they are reading (this can be done in any language).

Spellings

The children are encouraged to practise their spellings for a weekly test using the spellingframe website.

Maths

Please complete the sheet to reinforce what your child has been learning. Also help your child practice their times tables (x2, x5, x10). We also recommend using **Mathletics** and **Times Tables Rock Stars** to help with this

Dates and reminders

Thursday 12th December – Venus class showcasing afternoon. Make sure you come to the office **by 3pm** so you don't miss anything.

Tues 10th December – Goldfinch Carols by Candlelight 6pm

Attendance

Venus – 94.2%
