Message to our Families

Dear Families,

This term in science, Year 4 children are learning about electricity. We have begun by thinking about the electrical appliances in our homes and what powers them, as well as where our electricity comes from. There is a great 'electrical safety in the home' activity the children can explore here: <http://www.switchedonkids.org.uk/electrical-safety-in-your-home>

The next part of our learning will focus on circuits, and usually it would involve lots of practical activities in class. We would really like the children to be able to do the experiments at home and so we have put together circuit packs for each child including everything they need!

You can collect your child's circuit pack from school on Monday or Wednesday, between 11am and 1pm, whilst out on your daily exercise! To ensure that our children have a safe and fun learning experience, please follow the safety rules in the pack and supervise your child when using it. Have fun learning!

As usual we will continue to upload daily home learning tasks onto Google Classroom, as well as sending paper tasks home to some families. **Please let us know if you are unable to access these learning resources.** Keep communicating with us via

info@goldfinchprimary.org.uk if you have any suggestions, need support or have any questions. You can also call us on 07985227057 between 8am and 4pm Monday – Friday. Stay kind. Stay safe. From Miss Johnson, Mrs Nunn and Mr Coultas

Thought for the week:

Be Awesome, Be Amazing, Be You!

You might want to explore these resources too:

Audible

<https://stories.audible.com/start-listen>

Children can instantly stream a collection of stories, free to stream on your desktop, laptop, phone or tablet.

The Body Coach – Kids Workouts To Do At Home, daily at 9am
<https://www.youtube.com/playlist?list=PLyCLoPd4VxBvPHOpzoEk5onAEbq40g2-k>

GoNoodle Good Energy At Home

Free movement, yoga, and mindfulness videos, downloadable activities, recommended off-screen home activities.

Ncetm – Maths learning resources

Lots of maths resources that can help children with their learning.
ncetm.org.uk

Mathletics

Who has gained the most points since last week? How many more points do you need to achieve your BRONZE, SILVER or GOLD?!?

This week's results:

Top three classes

1. Earth – 35804 points
2. Saturn – 22512 points
3. Jupiter – 18325 points

Top scoring children:

Earth: Collin – 13838 points
Jupiter: Naqasha – 4497 points

Children receiving a certificate:

Bronze: Colin, Karolina, Bartek, Dagmara, Safa, Shafia, Diana, Yourdan, Maja, Naqasha, Zhané, Eliana, Hamza, Milca, Franklin

Silver: Safa

Online learning stars

Guled (Earth)- For all his amazing effort and achievement in Mathletics and all his learning.

Max (Jupiter)- Who has been keeping track of his home learning by using the Train Your Brain tool. He has *almost* filled in the whole brain this week. Keep it up Max!
