## Message to our Families

Dear Families,

We are continuing to see some great home learning posted onto Google Classroom and or emailed to the school office. Keep it up! Many children are also continuing to access and achieve through Mathletics so please continue to encourage children to access Mathletics regularly to support and consolidate their maths learning throughout this time. If you have not already you can still collect your child's circuit pack from school on Monday or Wednesday, between 11am and 2pm. If you are unable to come to school, please let us know and we will make arrangements for the pack to be sent to you. There is going to be some exciting learning over the next three weeks - we can't wait to get started!

We are in the process of organising our Jupiter and Earth Class Zoom Meets where the children, under the supervision of their teacher, will be able to take part in a 'virtual' class meeting. We need all families to sign up to the School Gateway (parent comms) so we can invite all children in our class to this meeting. We will be unable to invite your child to our Jupiter and Earth Class Zoom Meet if you do not sign up to School Gateway.

As usual we will continue to upload daily home learning tasks onto Google Classroom, as well as sending paper tasks home to some families. **Please let us know if you are unable to access these learning resources.** Keep communicating with us via [info@goldfinchprimary.org.uk](mailto:info@goldfinchprimary.org.uk) if you have any suggestions, need support or have any questions. You can also call us on 07985227057 between 8am and 4pm Monday – Friday. Stay kind. Stay safe. From Miss Johnson, Mrs Nunn and Mr Coultas

### Thought for the week:
