

Year 4 Newsletter

@GoldfinchPrmry

Friday 6th March 2020

English: In English we have been reading about Wesley, who creates his own civilization called 'Weslandia'. We created predictions about what we thought would happen in the story, using adverbials to vary our sentence structure and after finishing our story we have been writing book reviews.

Maths: In Maths, we have begun to learn about fractions and have investigated equivalent fractions and fractions greater than 1.

Topic – Burps, Bottoms and Bile/Settlements: In science year 4 have been learning all about the human digestive system. It has been very interesting to learn about what happens to our food after we eat it. In geography and history, we have begun to learn about why people settled in Streatham in the past and have looked at changes in land use from farmland to the houses we see and live in today.

As part of our amazing WOW day Jupiter and Earth experienced the digestive system first hand by using breakfast items, a Ziploc bag and tights to create their own human digestive system.

Dates and reminders

Earth family reading morning – Friday 3rd April

Jupiter family reading morning – Friday 24th April

PE days are: Monday and Tuesday

Please remind your children to read every day and bring in their reading records.

How you can help your child at home

Times tables

Please practice times tables with your children at home, the answer needs to be in 3 seconds to count!

Spellings

The children are encouraged to practise their spellings for a weekly test.

Maths

Children can use Mathletics and Times Table Rockstars to enhance their learning at home (login details in children's reading record).

Outstanding Learners

Outstanding learners: Naqasha & Ameena

Maths Champions: Wanas & Alan

Handwriting Heroes: Milca & Karolina

Attendance:

Jupiter: 94.6 % 😞

Earth: 96.9 % 😊
