Friday 14th February 2020

English: In English we finally finished our book 'Cinnamon'! It was so exciting to read to the end and find out what happened to our character who couldn't speak!

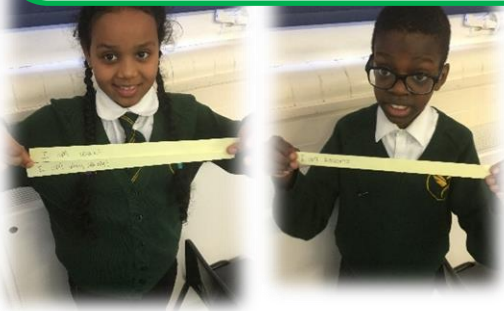

Maths: In Maths, we have been building on our knowledge of shape and space by revising perimeter and exploring what area is. Why not ask your child what the difference between the two are?

Topic: As part of our science learning, we have been looking at how to classify and sort animals. It has been great fun and we have even drawn our own classification keys!

As part of wellbeing week, Jupiter class made positive affirmations about themselves, whereas Earth class shared a special item that showed their bravery!

How you can help your child at home

Times tables

Please practice times tables with your children at home, the answer needs to be in 5 seconds to count!

Reminders: We are collecting old felt tips and batteries for recycling

-We are also collecting clean bottle tops for a recycling project in school.

Parents Evening:

Earth class - Weds 26th February 8.30am – 4.30pm

Jupiter class – Tuesday 3rd March 4pm – 6pm & Wednesday 4th March 4pm – 7.30pm.

These can now be booked online.

Outstanding Learners

Kindness certificates: Laith, Inas, Keeva and Naqasha.

Attendance:

Earth: 97.5%

Jupiter: 97.0%
