Message to our Families

Dear families

Welcome back to home learning after the 'Easter holidays'. It is vital that you follow Government guidelines and stay at home, only going out for essential shopping and daily exercise. Remember, that we are here to support you. We know that you are doing your best to home school your children; we are trying to get the balance right for the amount of work we are setting. Please check out the suggested websites for additional work. Remember, it should not look like a full school day of learning. Do what you are comfortable with, and remember it is important to have family time too, where you can just relax and unwind. Keep checking your emails and Google classroom for daily suggested timetables. Keep communicating with us via info@goldfinchprimary.org.uk if you have any suggestions, need support, or have any questions. You can also call on **07985227057** between **8am and 4pm Monday - Friday**. **Mrs Kavanagh will be making calls to families on Monday 27th and Tuesday 28th April.**

Stay safe, be kind
