Friday 10<sup>th</sup> July 2020

I can't quite believe we've made it to the end of the year! What an AMAZING year we've had. The children have worked so hard and achieved so much. Even without SATs, I hope every child in Pluto knows how much progress they have made over the course of the year. It has been an absolute pleasure being their class teacher and it wouldn't have been possible without your support at home. I know this year hasn't ended in the way we were expecting, but it's really fantastic being able to see so many of the children back in school before they head off to secondary school. We will miss the Class of 2020 a lot and wish every child success as they begin the next chapter of their lives.

The **purple hub** and **white hub** took part in their own socially distanced Sports Day this week! They had a brilliant time competing in running races, dribbling races and throwing competitions. I was particularly impressed by the team-work of both hubs and the children's' supportive nature. It was a pleasure to watch. A particular well done to the **Purple** hub who won the competition!

Our home learners have also been working fantastically at home! They are doing a brilliant job at accessing our class work on Google Classroom and sending me what they have been getting up to.

## Important reminders

The last day of school is **Thursday 16<sup>th</sup> July**. If you know your child has PE kit still in school, please arrange to come and pick it up or let me know if you no longer need it.

Pluto class will be having their 'graduation' on Wednesday afternoon. Where they will be presented with their certificates and leaving gifts. Unfortunately, due to the current climate, parents will not be able to attend. We will make sure to take lots of photos!
