Friday 26<sup>th</sup> June 2020

The purple and white hub have had such a fantastic two weeks back at school! It was lovely to see friends reunited and lots of smiling faces.

The **purple hub** has been busy with lots of art and craft this week; creating displays in the classroom and some amazing self-portraits using a range of photography and watercolours.

The **white hub** has also been hard at work, doing some fantastic writing based around the theme of bubbles and getting active in the classroom with Just Dance!

Both hubs are really getting into our new class text: *Some Places More Than Others*, written by Renee Watson. We have started to do some writing and art based around themes in the book and the children are really enjoying it!

Our fantastic home learners are doing a super job at accessing the work on Google Classroom, as well as doing independent learning using a range of fantastic online resources such as Mathletics, Spelling Frame and TTRockstars.

**zoom**

Our next class **zoom** will be on Friday 3<sup>rd</sup> July at 11.15am.

Please check School Comms for access details!

## Outstanding Learners

**Anas** for a beautiful self-portrait and **Ahmed** for remembering so many fantastic facts about the Victorians!
