Friday 6<sup>th</sup> March 2020

**English:** We are reading *The First Drawing* in English and writing in a variety of genres based on this book.

**Maths:** We have been learning about statistics – reading bar charts and pictograms. There's some homework to do on mathletics over the weekend.

**Book Week:** We have had a fantastic week thinking about reading and books. Our story was *Rumpelstiltskin*. Ask your child to tell you the story – they've made some characters to help them retell the story! We also loved seeing them all dressed up for World Book Day, and reading with their reading buddies in Year

We had a great time on our trip to the South London Botanical Institute last week, learning all about plants.

## How you can help your child at home

### Reading

Please encourage your child to read as much as possible at home and try to ask them questions about what they are reading (this can be done in any language).

### Spellings

The children are encouraged to practise their spellings for a weekly test using the spelling pack.

### Maths

Please complete the sheet to reinforce what your child has been learning. Also help your child practice their times tables (x2, x5, x10). We also recommend using **Mathletics** and **Times Tables Rock Stars** to help with this.

## Dates and reminders

Please bring in your old bottle tops, batteries and dried up felt-tip pens to be recycled by our amazing **Eco Warriors**.

On 24<sup>th</sup> March at 3pm, Venus class will be performing in the recorders and trumpets concert. Do put this in your diaries!

### Attendance

Venus – 95.8 %
