## Message to our Families

Dear Families,

Well done to Earth and Jupiter for all the home learning, Mathletics and reading you have completed this week. Also well done to those of you who have shared any takeaway homework that you have done. Remember you have plenty of time to try one of the activities or challenges and share it with us. This week we have been learning facts about the 8 planets, can you name all 8 planets in order? In RE we have learnt about special Jewish festivals. What special festivals are important to you and your family?

As children are spending more time using technology to communicate with friends and families and complete their home learning tasks, we have provided a link, in the box below, to great age specific resources that inform children how they can ensure that they stay safe when online.

Keep communicating with us via [info@goldfinchprimary.org.uk](mailto:info@goldfinchprimary.org.uk) if you have any suggestions, need support or have
