

Year 4 Newsletter

@GoldfinchPrmry

Friday 11th October

English: In English, we have been reading *The Matchbox Diary*. Children have been writing diary entries and using information about the main character's life to write a biography about him.

Maths: In Maths we have been continuing to learn about place value and have been counting in multiples of 25 and using negative numbers in our learning.

Topic: In Science we have been learning how about how materials can change state through the processes of melting, freezing, evaporation and condensation. We have continued our biography writing in History by writing a biography about Florence Nightingale and finding out how she changed nursing practices.

Dates and reminders

PE days are: Monday and Tuesday.

Please remind your children to read every day and bring in their reading records.

We also enjoyed making our own mini pizzas before we began reading *The Matchbox Diary*, a story about a boy who travelled from Italy to America.

Year 4 enjoyed a great day out at the Museum of London. We consolidated our understanding of what life was like during Tudor and Medieval times and began to think about how life in London was like during the Roman times.

How you can help your child at home

Times tables

Please practice times tables with your children at home, the answer needs to be in 3 seconds to count!

Spellings

The children are encouraged to practise their spellings for a weekly test.

Maths

Children can use Mathletics to enhance their learning at home (login details in children's reading record).

Outstanding Learners

Outstanding learners: Basil, Max, Ameena & Yourdan

Maths Champions: Alexia & Diana

Handwriting Heroes: Naqasha & Maja

Attendance -Earth: 97.8%

Jupiter: 97.7%
