

Year 4 Newsletter

@GoldfinchPrmry

Friday 13th September 2019

English: In English we have started reading 'Leon and the place between' and have been using expanded noun phrases and adverbs to describe events in the story.

Maths: In Maths, the children have been investigating Roman numerals to 100 and converting them into words and numerals. We have also begun to learn about rounding 2-digit and 3-digit numbers to the nearest 10 and 100.

Topic – Potions: In science the year 4 have been grouping and classifying materials into solids, liquids and gases and describing the particle properties of these different states of matter.

Year 4's WOW day went fantastically - we all enjoyed mixing liquids and solids to create our own yummy ice-cream!

How you can help your child at home

Times tables

Please practice times tables with your children at home, the answer needs to be in 3 seconds to count!

Maths

Children can use Mathletics and Times Table Rockstars to enhance their learning at home (login details in children's reading record).

Reading

Please encourage your child to read as much as possible at home and try to ask them questions about what they are reading.

Please sign your child's Reading Record book every time you read with them.

The children take home one book which they should read independently and can change their books when they need to.

Just a reminder...

Dates and reminders

PE days are: Monday and Tuesday

Please remind your children to read every day and bring in their reading records.

Attendance: Jupiter: 96.6% 😊

Earth: 97.9% 😊
