

Subject: Introducing School Gateway: Action needed

Dear families,

We are very excited to be introducing School Gateway to Goldfinch Primary – a parent engagement app that will allow you to pay for school trips, communicate with the school and view your child's achievements and reports at anytime from anywhere.

All school related [communication](#), [newsletters](#), [attendance figures](#), will go through School Gateway as soon as you register. To stay up to date with what's going on at school make sure you download the app for free. Just search *School Gateway* in your App store and download. Simple:

Apple iPhone users, download the app here: schoolgateway.co.uk/iosdownload

Android phone users, download the app here: schoolgateway.co.uk/androiddownload

Step 1- Input email address

Step 2- select new user

Step 3- input your mobile number

Step 4- send pin.

Pin will be send to you by text message.

Type the pin in and you should be ready to go.

Your login details will be automatically generated using the contact information Goldfinch Primary already has, so please make sure the details we hold for you are up to date. You can check and change these details by sending an email or contact the school at info@goldfinchprimary.org.uk.

You can also login to the online version of School Gateway via this site if you do not have a smart phone, although we do recommend using the app if possible as it makes it far easier to get hold of parents when we need to.

Kind regards,

Pepa Erickson

School Admin Officer
